

1. Verse No mercy for what we're doing
 No thought to even what we have done
 We don't need to feel the sorrow
 No remorse for the helpless one

Pre-Chorus War without end

Chorus No remorse, no repent
 We don't care what it meant
 Another day, another death
 Another sorrow, another breath
 No remorse, no repent
 We don't care what it meant
 Another day, another death
 Another sorrow, another breath

2. Verse Blood feeds the war machine
 As it eats a way across the land
 We don't need to feel the sorrow
 No remorse is the one command

Pre-Chorus War without end

Chorus No remorse, no repent
 We don't care what it meant
 Another day, another death
 Another sorrow, another breath
 No remorse, no repent
 We don't care what it meant
 Another day, another death
 Another sorrow, another breath

3. Verse Only the strong survive
 No will to save the weaker race
 We are ready to kill all comers
 Like a loaded gun right at your face

Pre-Chorus War without end

Chorus No remorse, no repent
 We don't care what it meant
 Another day, another death
 Another sorrow, another breath
 No remorse, no repent
 We don't care what it meant
 Another day, another death
 Another sorrow, another breath

Drum Solo Attack!

Outro Bullets are flying
 People are dying
 With madness surrounding,
 All hell's breaking loose
 Soldiers are hounding
 Bodies are mounting
 Cannons are shouting to take their abuse

With war machines going
 Blood starts to flowing
 No mercy given to anyone here
 The furious fighting
 Swords are like lightning
 It all becomes frightening
 You know death is near

End No remorse
